DETAILED ACTION

Allowable Subject Matter

1. Claims 1-22 allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art fails to disclose or render obvious a spray head having two spray inserts, each of the two inserts placed in a channel and opposite to each other and a fluid-tight joint placed between the two inserts. One of the inserts abuts a stop located at one end of the channel and the other insert abuts a shrink ring, and the inserts are placed under tension by the shrink ring.
